CIRCULAR

The **Department of Computer Science & Engineering** under **CSI Student Chapter & ACM-W Student Chapter** is organizing hands on Workshop on **"Tableau and Data Visualization Part - II"** on 8th January 2026, in collaboration with **AION-TECH Solution Limited, Hyderabad under Cloud Computing Research Centre**. This session aims to provide valuable insights into Visualize, Analyze and Discover, how Business AI are transforming industries, reshaping career opportunities, and influencing the future job landscape. The hands on workshop will help students understand emerging Business AI-driven roles and the essential skills required to stay ahead in this evolving domain.

Students are requested to actively participate and gain maximum benefit from this enlightening session.

Event Details:

Date: 8th January 2026
Time: 11:00 AM to 12:30 PM
Registration Fee: Free.
Venue: CL-10

Coordinator

Department of CSE

Dt: 7th January 2026

The Department of Computer Science & Engineering, under the ACM-W Student Chapter, in collaboration with AION-TECH Solution Limited, Hyderabad, and the Cloud Computing Research Centre, is organizing a hands-on workshop on
"Tableau and Data Visualization – Part II."

This workshop is a continuation of the previous session held on 22nd December 2025. The session will be conducted by Ravi Shankar, *Manager – L&D and Trainer*.

Workshop Details

- **Date:** 8th January 2026
- **Time:** 11:00 AM to 12:30 PM
- **Venue:** CL-10
- **Registration Fee:** Free

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
2025-2026
REPORT ON HANDS-ON WORKSHOP
"TABLEAU AND DATA VISUALIZATION PART-II"

Date: 8th January 2026
Time: 11:00 AM to 12:30 PM
Mode: offline
Venue: CL10
Participants: 60+

Recognizing the growing importance of data analytics and visualization skills, the Department of Computer Science and Engineering, G. Narayanamma Institute of Technology and Science (GNITS) successfully organised a Hands on Workshop on "Tableau and Data Visualization Part-II". This workshop is a continoutionation of the workshop organised on 22nd Dec 2025. The workshop is organised under the MoU signed between AION-TECH Solutions Limited and GNITS. The workshop was conducted under the aegies of ACM-W student chapter and Cloud Computing Research Centre.

The workshop aimed to bridge the gap between theoretical knowledge and practical application by providing students with hands-on exposure to industry-relevant data visualization tools and techniques.

Organization and Collaborating Bodies
The workshop was jointly organised by

- Department of Computer Science and Engineering, GNITS
- ACM-W Student Chapter, GNITS

Industry Collaboration

- AION-Tech Solutions

The technical sessions were enriched by the expertise of the Resource person Mr. Ravi Shankar, Manager – Learning & Development and Trainer, who delivered industry oriented insights and hands-on guidance on Tableau and data visualization practices.

A Business Intelligence (BI) professional with over 22 years of experience in IT industry, specializing as a trainer for leading organizations such as Tech Mahindra, Nice Software Solutions and AION-Tech.

Certifications

- Tableau Certified Associate Consultant
- Alteryx Designer Core Certification
- Tableau Desktop Specialist.
- Tableau Partner Certification
- Salesforce certified AI Associate
- Snowflake SnowPro Core Certified.

Session Coverage and Technical Content

The workshop provided in-depth, hands-on training on various aspects of data visualization using Tableau. The topics were covered in a structured and practical manner, as outlined below:

- Importing Excel (XL) Files into Tableau
- Analyzing Data from Excel Files
- Generating Different Types of Charts and Visualizations
- Dashboard Preparation

Outcomes of the Workshop

- Gain practical exposure to Tableau tools
- Understand the importance of data visualization in decision-making
- Develop skills in creating charts and dashboards from Excel data
- Enhance analytical and visualization skills relevant to industry needs

Feedback

The overall feedback from participants was highly positive. Students appreciated:

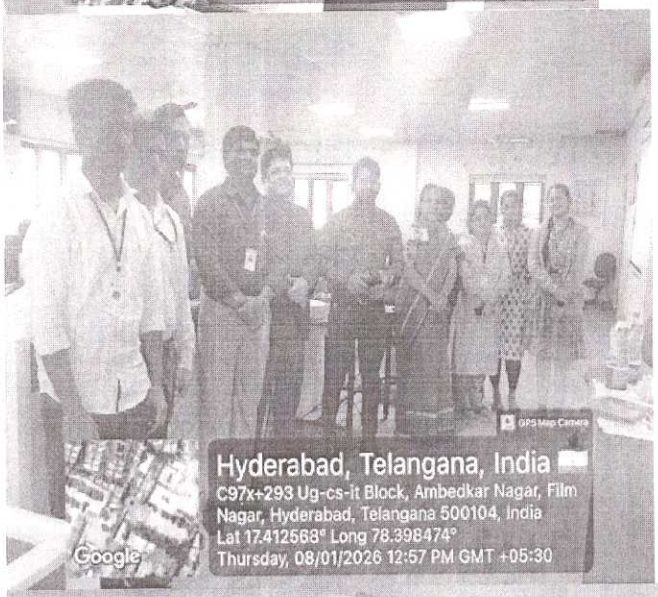

- Hands-on learning approach
- Real-time demonstrations
- Industry-oriented examples
- Opportunity to work with professional tools

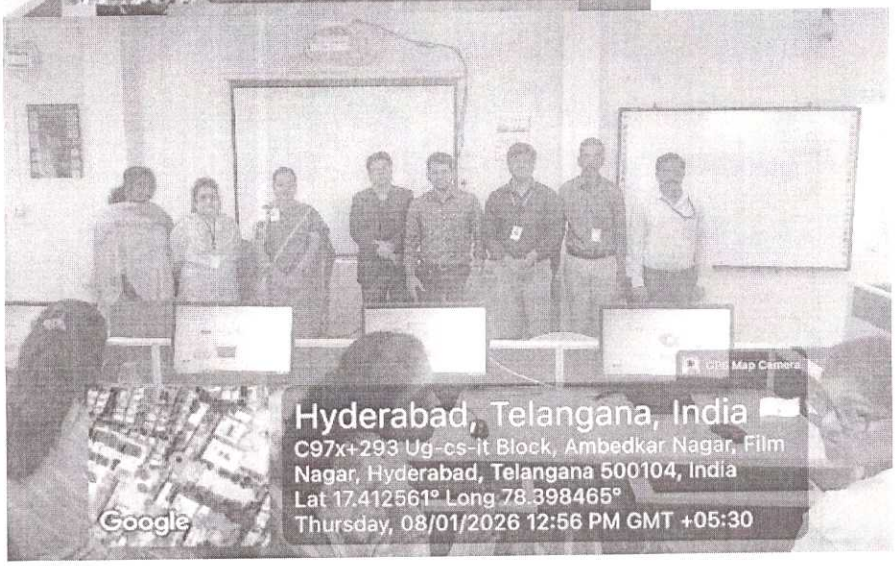

Conclusion

The workshop successfully achieved its objectives by providing hands-on learning and practical insights into Tableau and data visualization techniques. Students actively participated and expressed interest in attending advanced-level sessions in the future. The Department looks forward to organizing more such industry-oriented workshops to bridge the gap between academic and practical skills.

AION-TECH SOLUTIONS

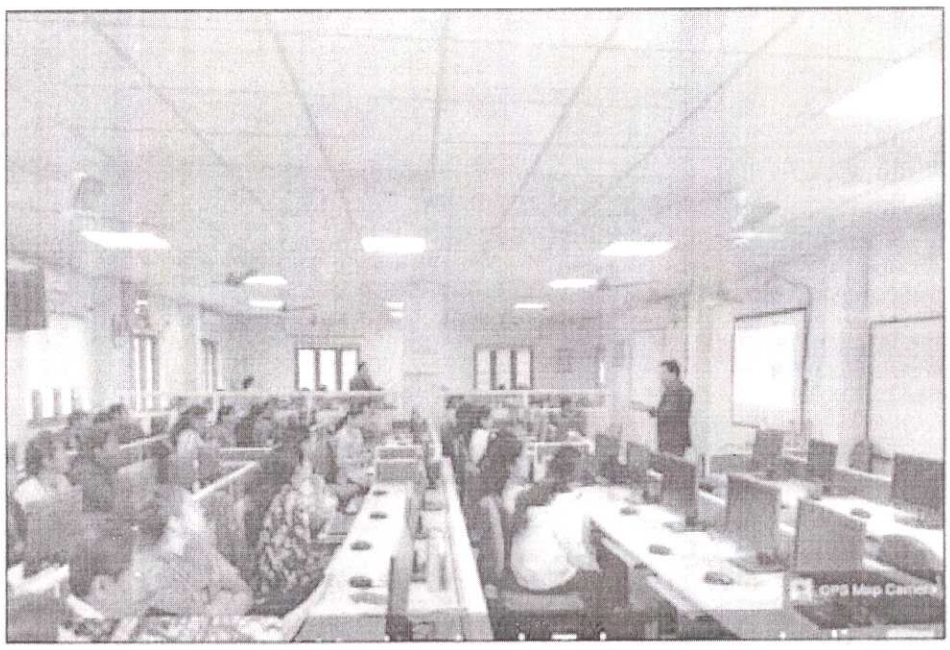

This is to Certify that

Aion-Tech Solutions Akademia, in collaboration with **G. Narayanamma Institute of Technology and Sciences**, successfully conducted a workshop on **"Introduction to Data Visualization Using Tableau"**, focused on building foundational skills in data analytics and visualization.

The session enabled students to gain practical insights into using Tableau for data analysis and informed decision-making. We appreciate the active participation of the students throughout the workshop.
